Warning: Pic heavy!Great Article!!!! I second the comment on the Fenix LD01 Quite possible the finest compact EDC light that I've carried and that includes the SureFire T1A Titan.. Reviewer's Note: The black LF2XT was provided for review by CPF dealer LED Cool Please see his Dealer's thread in CPFM for more info.

var q = 'fenix+ld01+stainless+steel+limited+edition'; I did a couple quick forum searches and found a bunch of copper parts, but no lights..
